

CERV OG call reference	CERV-2023-DAPHNE
EU project acronym	LBTIQ Women
EU project title	Preventing and combating intersectional violence towards LBTIQ women and non-binary persons
EU project number	101140301

	Name of the organization	Website of the organization	Country	Project title	Grant amount	Project duration	Community / Key target group	Project Summary
1	Aleanca LGBT	https://www.instagram.com/aleancalgbt	Albania	Rooted in Resilience: Advancing Direct Support and Systemic Change for Lesbian* Survivors of GBV in Albania	€ 59,924	12 months	Lesbian* survivors of gender-based violence in Albania, including cis, trans, intersex women and non-binary people facing intersecting discrimination and barriers to services and justice.	The project scales up Aleanca's support for lesbian* GBV survivors in Albania via expanded legal and psychological aid, group therapy, socio-economic support, health access partnerships, strategic litigation follow-up, legal analysis, the Lesbian Feminist Academy, and targeted advocacy for systemic change.
2	Anemos Dimiourgias	http://www.odoiporikon.com/	Greece	Safe Harbors, Green Futures: Prevention of Gender Based Violence towards LBQ women migrants in Lesbos	€ 59,510	12 months	LBQ women and non-binary people in Greece, especially migrant and trans LBQ women in Lesbos, plus local stakeholders engaged in GBV response	The project addresses GBV against LBQ migrants and trans LBQ women in Lesbos through community mapping, awareness, safe spaces and peer workshops, eco-feminist storytelling, and stakeholder dialogue, strengthening resilience and tailored prevention pathways.
3	Asociación Nós Mesmas	http://www.nosmesmas.org/	Spain	+ Visibles, - Violence: Visibility and collective transformation.	€ 30,000	12 months	Lesbian* women in Galicia, including migrants, racialized, trans, and disabled women, requiring specialized, intersectional GBV support and improved access to responsive services.	The project delivers specialized psychological and legal care for lesbian* GBV survivors in Galicia, maps experiences and needs, runs visibility and dissemination actions, and hosts a cultural festival to catalyze community transformation and institutional improvement.
4	Bilkis	https://www.instagram.com/fem.bilkis/	Ukraine	Stories - Visibility and Safety for Lesbians against GBV	€ 30,000	8 months	Lesbian*, bisexual, queer women and non-binary people in Ukraine, especially youth, needing accessible GBV information, visibility, and culturally relevant, trauma-informed resources.	The project uses a magazine, "Dear Diary" video essays, and a searchable platform expanding 16 Days of Activism content to raise awareness, counter harmful narratives, and equip lesbian* communities in Ukraine with practical GBV resources.
5	Deystvie	https://www.deystvie.org/	Bulgaria	Lesbian Voices Against Violence	€ 27,678	12 months	LBTQ women in Bulgaria who experienced GBV and encounter institutional barriers; policymakers and service providers targeted for practice and policy change.	The project launches research on LBTQ GBV experiences, a national social media campaign, and advocacy with authorities and service providers to improve policies and responses, leveraging Deystvie's strategic litigation and institutional training expertise.
6	Differenza Lesbica Roma	https://differenzalesbica.it/	Italy	RISE – Strengthening Inclusion, Support and Empowerment for LBT+ Survivors of Gender-Based Violence.	€ 20,250	12 months	Lesbian* survivors of GBV in Italy, including those facing intersectional barriers (e.g., detention, healthcare, education), and frontline professionals needing inclusive, trauma-informed protocols.	The project scales a replicable, survivor-centered case management model for LBT+ GBV survivors in Italy, embedding inclusive protocols in trained centers, advancing institutional training, a national good-practice guide, survivor-led advocacy, and a digital awareness campaign to drive structural change.
7	ERA - WLW Caucus	https://lgbti-era.org/	Serbia	From Data to Protection - Fostering collaboration between key stakeholders on GBV violence against LBQ women in the Western Balkans	€ 30,000	10 months	LBQ women across Western Balkans, incl. marginalized groups (e.g., Roma, economically disadvantaged), and lesbian*-led CSOs needing access to policymakers and cooperation pathways.	The project convenes five national roundtables to translate evidence into LBQ-inclusive GBV procedures, embed cooperation with ministries/police/social services, empower WLW CSOs, and drive commitments, media visibility, and follow-up actions.
8	Estonian LGBT Association	https://www.lgbt.ee	Estonia	Recognizing the Unseen: Lesbian* Realities and GBV Response	€ 30,000	8 months	Lesbian* people in Estonia, with priority to non-Estonian mother-tongue speakers, seniors, and people with disabilities; frontline professionals in social, youth, and health sectors.	The project builds evidence on lesbian* GBV through qualitative research, pilots tailored training for frontline professionals, and runs peer-support and awareness activities to close gaps between services and lesbian* survivors' lived realities in Estonia.
9	Gender Stream	https://www.genderstream.org	Ukraine	Towards Inclusion: recognising and responding to violence against lesbians* in Ukraine	€ 27,700	7 months	Lesbians* in Ukraine affected by GBV, including domestic/family/community violence and conversion practices, and state bodies needing tailored guidance and training.	The project documents GBV against lesbians* via qualitative research, develops Istanbul Convention-aligned recommendations, and pilots training for the Human Rights Commissioner's Office to embed inclusive practices and strengthen institutional capacity and protection.
10	Kaz'te LSC - Lesbian Support Center		Serbia	Safe at work: Combatting gender based violence at the workplace	€ 60,000	12 months	Lesbians working in low-paid, precarious service jobs in Novi Sad and nearby areas; includes those facing workplace harassment and barriers in accessing GBV services.	The project prevents and addresses GBV against lesbians in service sectors via workshops on GBV and labor rights, peer support, legal/psychological aid, sensitization of businesses, cooperation with municipalities, police, judiciary, and health centers, plus practical tools and a handbook.
11	Kolektiv MANA	www.kolektivmana.com	Serbia	Gen 2 - A generation of lesbians without violence	€ 38,460	12 months	Young lesbians* in Serbia and the region, incl. those outside urban centers and with disabilities; girl-focused NGOs working on GBV prevention with youth.	The project co-creates a GBV-prevention methodology with girl-focused NGOs, disseminates via local workshops, runs an empowerment youth camp (18–24), and delivers a multi-platform awareness campaign with lesbian* influencers.

	Name of the organization	Website of the organization	Country	Project title	Grant amount	Project duration	Community / Key target group	Project Summary
12	L*-Communio	https://www.instagram.com/l_communio/	Serbia	Strengthening lesbians* in rural areas in Vojvodina (North province of Serbia) in combating GBV 2.0	€ 30,000	12 months	Lesbians* in rural Vojvodina facing GBV, including women with limited access to services and high stigma in small communities; local institutions engaged for better response.	The project empowers rural lesbians* in Vojvodina to recognize and report GBV through social media outreach, trainings, support groups, institutional cooperation, and tailored psychological support, plus exchange with partner CSOs to strengthen systemic responses.
13	Labris	http://www.labris.org.rs	Serbia	"Lesbian Partner Violence: Prevention, Support & Network Building"	€ 20,788	12 months	LBTIQ women and non-binary people in Serbia, especially survivors of intimate partner violence and those facing institutional barriers to protection and justice.	The project scales prevention and response to lesbian partner violence via research, a national campaign, advocacy with authorities and providers, and continuous psychological/legal assistance, building a national and regional support and policy-change network.
14	LBTQ Women Association „Stana“ (Udruženje LBTQ žena „Stana“)	https://www.facebook.com/udruzenje.stana/	Montenegro	"Invisible Survivors"	€ 29,999	12 months	LBTQ women in Montenegro, especially lesbian* GBV survivors needing trauma-informed support; social/child-protection professionals requiring tailored training.	The project combines qualitative research, service mapping, accredited trainings for social services, ongoing therapeutic support, informational materials, and an awareness campaign to improve visibility and institutional responses to GBV in Montenegro.
15	Le Monode*	https://www.instagram.com/lemonode_morvan/	France	Out in Rural Areas, Empowering Lesbians to Combat GBV.	€ 54,600	12 months	Rural Morvan L* community: lesbian*, trans, and non-binary people living in isolation; partners include local schools, libraries, and councils.	The project delivers monthly cultural events, mobile and school workshops on GBV prevention, and a poster campaign across 30+ villages, creating rural tools and networks that increase visibility, safety, and local allyship.
16	Lesbians Beyond Borders/ Les lesbiennes Dépassent les Frontières	https://www.facebook.com/profile.php?id=100077647293900	France	Supporting and empowering lesbian survivors of intersectional violence in France	€ 18,507	9 months	Lesbian migrants, refugees, and exiled women in France regardless of status; survivors with complex legal, medical, and psychological needs.	The project scales holistic support for survivors through legal/administrative aid, psychological and medical care, OFPRA interview preparation, trauma-informed body work, self-managed workshops, and an annual community weekend to strengthen autonomy and solidarity.
17	Lesbiche Bologna	www.lesbichebologna.com	Italy	PRACTICES FOR A SAFER COMMUNITY. Strengthening the network, promoting awareness and supporting LBT* people surviving GBV.	€ 17,550	12 months	LBT* women and non-binary people in Italy, especially IPV survivors; also CAV/CAD, social services, and law enforcement to strengthen protocols.	The project expands the Lesbian and Anti-Violence Hotline via a nationwide communications campaign, field outreach, info desks, and partnerships; it delivers training and materials to help services recognize and support LBT* intimate partner violence survivors.
18	Lespectra Association	www.lespectra.org	Bulgaria	Beyond Silence: United Action Against Lesbophobic Gender-Based Violence in Bulgaria	€ 26,925	12 months	Lesbian* people in Bulgaria, with focus on those facing multiple marginalization (e.g., Roma, trans/non-binary, migrants, rural/remote).	The project builds a collaborative online space for NGOs with a good-practices library and a public bilingual directory of support services; it delivers GBV response trainings with experts and runs a communications campaign and website to improve access and survivor-centered referrals.
19	Liberas	www.associazioneliberas.org	Italy	LBT* Online Helpdesk	€ 30,000	12 months	LBT* women and non-binary people in Sardinia experiencing intimate partner and other GBV; indirect groups include friends/allies, institutions, and the transfeminist anti-violence network.	The project provides psychosocial, legal, and employment support for LBT* survivors; it runs prevention/awareness campaigns, workshops, and community-building; it partners with CAVs, schools, and local institutions to build inclusive, trauma-informed responses.
20	LINQ Ireland	www.linqireland.ie	Ireland	Intimate Partner Abuse Within the LBQ Women's (Trans and Non-Binary Inclusive) Community Awareness Campaign	€ 28,345	12 months	LBQ women (trans and non-binary inclusive) across Ireland, including rural, young, and those in direct provision; DV and LGBTQI+ providers for competency-building.	The project launches a national awareness campaign on intimate partner abuse in LBQ communities, creates peer support, trains DV services, runs Cork workshops and national outreach, and produces resources/video and a website for recognition and help-seeking.
21	LORI	www.lori.hr/en	Croatia	REACH OUT 2.0 – Developing adequate support for LBTIQ women and non-binary gender-based violence survivors	€ 30,000	12 months	LBTIQ women and non-binary GBV survivors in Croatia; women's counseling centers and professionals to increase inclusion.	The project builds CSO capacity for LBTIQ support, makes women's counseling centers more inclusive, runs a public GBV campaign, and provides free psychological and legal aid, amplifying survivor voices to drive access and visibility.
22	Montenegrin LGBTIQ Association Queer Montenegro (Crnogorska LGBTIQ asocijacija Kvir Montenegro)	www.queermontenegro.org	Montenegro	We exist. We resist!	€ 27,600	12 months	Lesbian* and LBQ people in Montenegro, especially those facing multiple exclusion; institutions and providers to increase accountability.	The project conducts community-informed GBV research, runs a public campaign, convenes a conference, and advances advocacy for inclusive protocols, while reinforcing legal/psychosocial support and sustained institutional engagement in Montenegro.
23	Rainbow Families	https://facebook.com/DuginePorodice	Serbia	Stronger together: Supporting Lesbian* Survivors of Gender Based Violence	€ 60,000	12 months	Lesbian* parents and prospective parents facing domestic/community GBV and institutional bias; educators and service providers engaged for change.	The project provides legal counseling, support groups, school/community workshops, and a public campaign to reduce stigma and improve institutional responses to GBV affecting lesbian-led families.
24	Rainbow Ignite	https://www.instagram.com/rainbow_ignite/	Serbia	Against Erasure: Building Lesbian Resistance to GBV and Anti-Gender Violence	€ 30,000	12 months	Lesbian* (LBTIQ) people in the target country/region, prioritizing those facing intersecting discrimination (migrants, rural, disabled, trans/NB).	The project delivers survivor-centered GBV response with counseling, legal aid, capacity building for providers, and awareness campaigns; it maps services and produces guidelines to embed inclusive protocols across institutions.

	Name of the organization	Website of the organization	Country	Project title	Grant amount	Project duration	Community / Key target group	Project Summary
25	Sappho Women	sapphowomen.org	Greece	Free from GBV through radical safety and joy	€ 60,000	12 months	Lesbian* women and non-binary people, including older lesbians and tourists on Lesbos, needing safer events and access to GBV resources.	The project strengthens safety and awareness at community cultural events through staff training, clear reporting protocols, survivor support info points, and partnerships with local services; it disseminates multilingual materials.
26	ŠKUC (Lesbian Quarter)	https://skuc.org/11-lezbicna-cetr-t-mrezenje	Slovenia	Beyond Walls: Lesbian Visibility and Public Safety	€ 20,390	12 months	Lesbians and LBT* people in public spaces facing harassment and safety risks; local authorities and venues involved in safety improvements.	The project improves lesbian visibility and public safety through mapping safe and unsafe areas, advocacy with municipalities, bystander and venue staff training, visibility actions, and a toolkit to replicate safe-space practices across neighborhoods.
27	Streha Center	www.streha.al	Albania	3R Voices - Respond, Reform, Reach: Centering Lesbian* Voices in the Fight Against GBV in Albania	€ 60,000	12 months	Homeless and at-risk lesbian* youth, survivors of GBV lacking safe housing, legal aid, and psychosocial support.	The project expands shelter access and trauma-informed services for LBTI youth survivors; it delivers legal/psychological counseling, life-skills and employment support, and referral partnerships to exit violence and homelessness sustainably
28	Th.eros Transfeminist Lab	https://theroslab.org	Greece	Lambda, Lavender, Labrys: A multi-scalar, lesbian* affirming approach to combating gender-based violence in Greece	€ 30,000	12 months	Lesbian* communities in Greece, prioritizing multiply marginalized lesbians* (trans, migrant, disabled), plus rural and older lesbians* in Athens and Eressos; NGOs and local stakeholders engaged through dialogue and events.	The project investigates GBV against lesbians* in Greece, centers rural/older and multiply marginalized communities, provides survivor support groups, develops a podcast series and a Greek handbook, and runs awareness and advocacy actions across Athens and Eressos.
29	Violette and Co.	https://www.violetteandco.com/l-espace-associatif/	France	From Survival to Solidarity: An Intersectional Program for Lesbian* Liberation	€ 30,000	11 months	Lesbians* in Paris, especially marginalized groups (e.g., BIPOC, migrants, disabled) needing safe cultural space, peer support, and skills for resisting GBV; partner collectives and service providers for inclusive practices.	The project strengthens safety and resilience through self-defense and empowerment workshops, peer-led support circles and storytelling nights, and continuous visibility actions, while providing an inclusive venue and collaborations that embed trauma-informed, intersectional responses.
30	WomanUP Foundation	https://www.facebook.com/profile.php?id=61555146184848	Bulgaria	Our Bodies, Our Boundaries: Preventing GBV in Maternal Care for Lesbian, Bisexual, and Queer Pregnant People*	€ 28,840	12 months	Lesbian* and LBT women and non-binary people impacted by GBV, especially youth and economically vulnerable communities.	The project combines empowerment training, peer circles, legal/psychological support, and a multimedia awareness drive; it partners with service providers to standardize inclusive intake and referral pathways for survivors.
31	Women's Association "Sphere"	https://www.sphere.org.ua/eng/eng	Ukraine	Empowering Lesbian CSOs for Local GBV Advocacy and Policy Change	€ 60,000	9 months	Lesbian* people experiencing GBV, with focus on those in isolated or underserved areas needing secure, remote access to support.	The project strengthens the capacities of lesbian and feminist organizations to influence local GBV policies, through advocacy workshops, a regional conference, interorganizational networking, and campaigns promoting inclusive and effective gender-based violence prevention measures.
