<b>EU project acronym</b>	LBTIQ Women
<b>EU project name</b>	Preventing and combating intersectional violence towards LBTIQ women and non-binary persons
<b>EU project number</b>	101140301

<b>Name of the organization</b>	<b>Website of the organization</b>	<b>Country Code</b>	<b>Project title</b>	<b>Grant amount</b>	<b>Project duration</b>	<b>Community / Key target group</b>	<b>Project Summary</b>
<b>Asociación Nós Mesmas</b>	<a href="https://asonosmesmas.blogspot.com/">https://asonosmesmas.blogspot.com/</a>	(ES)	+ Visible, - Violence! Empowerment Program to Fight Gender-Based Violence Against LBTIQ Women and NB People	€ 30,000.00	8.5 months	LBTIQ women and non-binary people, who are victims of GBV, LGTBI, feminist and other social entities	The project aims to fight gender based violence through the empowerment of LBTIQ women and non-binary people who have been victims of GBV, by supporting and training them. The project includes providing a range of support services to victims, and also the creation of a support group for and by victims of violence.
<b>Bilitis Foundation</b>	<a href="https://bilitis.org">https://bilitis.org</a>	(BG)	Research, Advocacy, Collaboration with other service providers, and Empowerment of LBTIQ women and non-binary survivors of gender-based violence in Bulgaria	€ 35,000.00	12 months	LBTIQ women and non-binary survivors of gender-based violence in Bulgaria, service providers	Bilitis Foundation will research the current state of affairs of GBV against LBTIQ women and non-binary persons in Bulgaria to shed light on this under-researched and legally neglected social anomaly. The research results will be used to establish collaboration with service providers to survivors of GBV for enhancing their support to our target groups and more adequate addressing of specific intersectional needs.
<b>Cure Foundation</b>	<a href="http://www.fondacijacure.org">www.fondacijacure.org</a>	(BA)	Community response to gender-based violence	€ 30,000.00	12 months	LBTIQ community in Bosnia and Herzegovina who are victims of gender-based violence	CURE Foundation's project focuses on the empowerment of the LBTIQ community in Bosnia and Herzegovina in providing direct assistance in the process of access to justice to victims of gender-based violence. The project will train and support new community helpers who will act as bridges between LBTIQ communities and available systems for protecting victims of GBV.
<b>Differenza Lesbica Roma APS</b>	<a href="https://differenzalesbica.it/category/home/">https://differenzalesbica.it/category/home/</a>	(IT)	Strengthening community support networks: Training and Empowerment for LBTQJ+ GBV Survivors and operators	€ 30,000.00	12 months	LBTQJ+ GBV Survivors and service operators	The project aims to uplift and support LBTIQ women and non-binary individuals affected by gender-based violence through specialized professional training, personalized counseling, and theater workshops. These efforts will enhance service quality, aid in healing, and raise community awareness about GBV.
<b>ERA - Women Loving Women Caucus</b>	<a href="https://lgbti-era.org/">https://lgbti-era.org/</a>	(RS)	Creating Collective Strategies to Protect Lesbian* Women from Gender-Based Violence in Kosovo, Serbia, Bosnia & Herzegovina and Albania	€ 30,000.00	12 months	Lesbian* women in Kosovo, Serbia, Albania, and Bosnia & Herzegovina, policy makers, general public	This project aims to analyze national strategies and action plans for gender equality and combating violence against women in Kosovo, Serbia, Bosnia and Herzegovina and Albania, with a focus on the inclusion of lesbian* women. Based on the findings, ERA WLW and its partners in the four countries will advocate for policy improvements to enhance protection and support for these women in the region.
<b>Filosa Associació</b>	<a href="http://www.filosamenorca.org">www.filosamenorca.org</a>	(ES)	3rd Edition #ToQueerLAB 2025 Transfeminisms, critical thinking and social action Transfeminist and queer community contributions to the struggle against intersectional violence. LBTIQ women and non-binary people experience.	€ 60,000.00	12 months	LBTIQ women and non-binary people, LBTIQ CSOs, feminist CSOs and other stakeholders, public or private sector entities	The project envisions a research and community action that aims to bring various actors from the community together who collaborate in the eradication of structural and social violence, especially gender and LBTIQ violence experienced by LBTIQ women and non-binary people on the island of Menorca.

<b>Front d'habitat lesbien (FHL)</b>	<a href="https://www.facebook.com/p/Front-dHabitat-Lesbien-FHL-10007923555891/">https://www.facebook.com/p/Front-dHabitat-Lesbien-FHL-10007923555891/</a>	(FR)	Building a 'home' to combat violence and its effects	€ 30,000.00	12 months	Lesbian and trans persons, in particular refugees; as well as authorities and other NGOs working in the field	FHL will provide, on the one hand, accommodation and support services for lesbian and trans persons who experienced GBV, in particular for refugees. On the other hand, FHL will provide services also on an outpatient basis, e.g. in cases when refugees suffer violence and discrimination. In addition, the group will also engage with authorities and other NGO actors on this topic regularly.
<b>Institute My Rainbow</b>	<a href="https://mojomavrica.si/">https://mojomavrica.si/</a>	(SI)	Liberating Love: Standing Together Against Gender-Based Violence	€ 60,000.00	12 months	LBTIQ women and non-binary persons, victims of GBV, social workers	Institute My Rainbow will reduce the harm of gender-based violence towards lesbians* and non-binary people in Slovenia through addressing its consequences on the individual level (tailored counselling, community initiatives, self-harm and suicide prevention) and on the community level (tackling gender stereotypes with future social workers, theatre of the oppressed actions in public spaces, raising awareness on online platforms).
<b>Intersex Greece</b>	<a href="https://intersexgreece.org.gr/">https://intersexgreece.org.gr/</a>	(GR)	“Intersectionalities within Intersex” Mapping and responding to the needs of intersex LB+ women and non-binary persons in Greece	€ 30,000.00	12 months	Intersex LB+ women and non-binary persons in Greece	The project focuses on exploring intersectionalities within the intersex community in Greece, with a focus on sexual orientation. It introduces a set of activities that aim to support the work of Intersex Greece on GBV and discrimination and empower its members with a focus on intersex LB+ women and non-binary persons.
<b>Kikimora and Kikimora Foundation</b>	<a href="https://www.kikimora.bg/">https://www.kikimora.bg/</a>	(BG)	Safe Nightlife for All	€ 53,560.00	12 months	Lesbians, bi, trans and queer women and non-binary people, staff of queer and queer-friendly bars, policy makers, general public, LBTIQ CSOs	This 5-step project aims to foster a safer environment within bars and nightclubs throughout Bulgaria by researching EU policies on rooftops and the depths of the problem in the country. The project also aims to raise awareness on statistics, prevention and good practices in cases of spiking, equipping the staff of nightlife venues with knowledge and skills that will help them keep people at risk safe.
<b>Kolektiv MANA</b>	<a href="http://www.kolektivmana.com">www.kolektivmana.com</a>	(RS)	Equipping for Allyship - Sensitizing Youth Workers to issues of GBV against LGBT+ women and non-binary people	€ 21,052.00	8 months	Youth Workers, LBT+ women and non-binary people, victims of GBV, LBTIQ CSOs, LGBT+ youth	The project will, through trainings and supporting activities, equip youth workers in Serbia with the knowledge and skills to recognize, prevent and react to LGBT+ GBV, providing support to LGBT+ people affected by GBV who do not have access to dedicated LGBT+ centers.
<b>L*-Communio</b>	<a href="https://www.instagram.com/l_communio/">https://www.instagram.com/l_communio/</a>	(RS)	Strengthening lesbians* in rural areas in Vojvodina (North province of Serbia) in combating GBV	€ 30,000.00	12 months	Lesbians* in rural areas in Vojvodina, victims of GBV	The project is designed to reach out to LBTI women in rural areas in Serbia who do not have the opportunity to report violence, who do not know their rights, to empower them to report violence and help them through the process. The project includes a media campaign through social networks, and experience exchange with sister organizations in Serbia and surrounding countries (Croatia and Slovenia), outreach and support services for LBTI community members, as well as cooperation with state parties on GBV.
<b>Labris – Lesbian Human Rights Organization</b>	<a href="http://www.labris.org.rs">http://www.labris.org.rs</a>	(RS)	Prevention of Violence in Romantic Relationships of LBTIQ Women and non-binary persons and Ensuring Adequate Support and Protection	€ 39,212.00	12 months	LBTIQ women and non-binary persons, LGBTIQ+, feminist and HR CSOs, LBTIQ women and non-binary persons who are experiencing partner violence or abuse, policy makers	The project aims to create a society where LBTIQ women and non-binary persons can live free from fear of partner violence and have access to the support and protection they need to thrive. The project will achieve this by increasing knowledge and understanding about violence in romantic relationships, empowering LBTIQ women and non-binary persons with skills and knowledge to recognize signs of abuse and seek help, advocating for policy changes, providing psychological support and counseling services, and establishing partnerships with other civil society organizations.

<b>Les lesbiennes Dépassent les Frontières</b>	<a href="https://www.facebook.com/profile.php?id=100077647293900">https://www.facebook.com/profile.php?id=100077647293900</a>	(FR)	Strengthening support and empowering lesbian survivors of gender-based violence in France	€ 41,493.00	12 months	Lesbian survivors of gender-based violence in France (migrants/refugees, asylum seekers, in exile)	The project seeks to meet the specific needs of lesbian survivors of GBV by increasing support through the provision of services (housing, legal, psychological, medical, administrative support). The project also aims to strengthen the internal capacities of the Lesbians Beyond Borders solidarity network by training additional members of the network in supporting lesbians through the asylum-seeking process and through social administrative procedures.
<b>Lesbiche Bologna APS</b>	<a href="http://www.lesbichebologna.com">www.lesbichebologna.com</a>	(IT)	Aware and free. Pathways out of violence in LGBTIQ relationships and cultural change in the work of the Lesbian and Antiviolence Line	€ 42,449.00	12 months	Victims of violence within LGBTIQ relationships, LGBTIQ community, LGBTIQ civil society organizations	The project aims to raise individual and collective awareness about LGBTIQ intimate partner violence, understanding this as a specific and invisibilized form of gender-based violence. The projects also aims to improve the services and spread the word about the Lesbian and Anti-Violence Hotline in the community.
<b>Liberas</b>	<a href="https://associazioneliberas.org/">https://associazioneliberas.org/</a>	(IT)	No longer alone. Research project to raise awareness, prevent, and combat lesbobitransphobic violence and violence in LBT* relationships experienced by women, lesbians, trans* and nonbinary people.	€ 30,000.00	12 months	Women, lesbians, trans* and nonbinary people who are victims of violence in LBT* relationships	The main objective of the project is to improve the service offered by Liberas to victims of GBV and to raise awareness among the LBT* community in Sardinia on the issue of gender-based violence. The project will conduct research among LBT* community members about their perception of GBV, and will also include training of Liberas service providers as well as an awareness-raising campaign.
<b>LORI</b>	<a href="http://www.lori.hr">www.lori.hr</a>	(HR)	REACH OUT – Developing adequate support for LGBTIQ women and non-binary gender-based violence survivors	€ 30,000.00	12 months	LGBTIQ women and non-binary gender-based violence survivors, women's and LGBTIQ organisations and counselling centres	The main goal of the project is to ensure availability and adequate support and protection for LGBTIQ women and non-binary persons who are survivors of gender-based violence in Croatia. The project encourages the collaboration of women-focused organisations through various activities such as: national research, developing guidelines for providing support to LGBTIQ women and non-binary persons who survived GBV, networking event, capacity building and awareness-raising actions.
<b>Rainbow Ignite</b>	<a href="https://www.instagram.com/rainbow_ignite/">https://www.instagram.com/rainbow_ignite/</a>	(RS)	Amplifying Voices: Research and Advocacy for LGBTIQ+ Women's Rights in Serbia	€ 30,000.00	12 months	LGBTIQ+ women and non-binary individuals, policy makers	Rainbow Ignite's project aims to produce a comprehensive report on the needs and challenges faced by LGBTIQ+ women in Serbia, with a focus on gender-based violence (GBV), leveraging existing connections with private, public, and civil society sectors. The project seeks to provide data on GBV, foster public awareness, and advocate for policy changes to ensure long-term improvements in the lives of LGBTIQ+ women and non-binary persons.
<b>Rromnjako Ilo</b>	<a href="https://rromnjakoilo.org.rs/">https://rromnjakoilo.org.rs/</a>	(RS)	LGBTIQ Roma and minority women empowered to say no to violence	€ 59,930.00	12 months	LGBTIQ Roma and minority women in rural areas of Banat in Vojvodina, Serbia, victims of GBV	The project aims to contribute to more inclusive GBV protection mechanisms for LGBTIQ Roma women and minority women in Serbia. The activities to support this goal are: provisioning of gender-sensitive support services to LGBTIQ women and non-binary persons, such as victim support tailored to their specific needs, and awareness raising aimed in particular at creating links and animating communities in the field of preventing and combating gender-based violence against LGBTIQ women and non-binary persons.

<b>Stichting Ondersteboven</b>	<a href="http://www.stichtingondersteboven.nl/">http://www.stichtingondersteboven.nl/</a>	(NL)	Empowerment and Equity: Combating Gender-Based Violence Against LGBTIQ+ Women and Non- Binary Individuals	€ 30,000.00	12 months	LGBTIQ women and non-binary persons, policy makers and other stakeholders (women's rights and LGBTIQ rights organizations).	The project will strengthen and expand the network of stakeholders, including policy-makers, community (LGBTIQ+) and family members and other allies (feminist and LGBTIQ organizations) in order to diminish GBV against LGBTIQ women and nonbinary persons in a sustainable way. Tools will include workshops, formal and informal meetings, community building, the creation of a strategic plan as well as monitoring.
<b>Transfeminiinit ry</b>	<a href="http://www.transfeminiinit.fi/">http://www.transfeminiinit.fi/</a>	(FI)	TransDefense – Mapping and advocating against the gender-based violence faced by lesbian trans women, and nonbinary, intersex, and queer feminines in Finland	€ 60,000.00	12 months	Trans women, trans lesbians, non-binary trans feminines, and intersex feminines in Finland, victims of GBV, policy makers	By reviewing the literature on gender based violence and engaging with the community, the project aims to bring the issues of lesbian identifying trans women, and trans, nonbinary and intersex feminines to the forefront while finding community based solutions. The result of the mapping will be used to advocate for legislative revision and reform.
